How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about David`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Four of Spades Person

The Card of Security and Satisfaction

The Four of Spades is the card of satisfaction through work. This is one of the most 'solid' of all the cards in the deck. The people of this card often seem like a 'rock' or square in some fashion. They are stable and hardworking and can be counted on when you need them. They have one of the most fortunate life paths in terms of money and success and usually enjoy the work they do. However, their Saturn card, the Ace of Diamonds, tells us that even though they are fortunate, they usually worry about money anyway, and this can interfere with their own success if not checked. The Ten of Hearts in Mercury usually gets them instant acceptance at social occasions and they make good communicators or speakers. Some can be successful writers, advertising executives or performers of the literal arts.

Fours can be very stubborn and the Four of Spades has the right to be. With the Ten of Clubs Karma Card they know a lot and must live by their own truth. They are very intelligent and intuitive and dislike being restrained in any way. The Ten of Diamonds in Venus gives them wealthy friends but they should not place too much emphasis on money with their choice of friends or lovers.

They usually have a good constitution and health is best cared for by natural methods. They are a worker card and it is in their work that they find true peace and satisfaction. Often they will align themselves with a humanitarian mission and find great satisfaction there.

The later years are often spent fulfilling their dreams of traveling the world, something they usually don't get enough of in their early years.

Some of the Four of Spades Issues Concerning Relationships

These are very giving and loving people, and though they can be tough and stubborn, they will usually give you anything from the generosity of their

heart. They are attracted to those of financial means and can get caught up in trying to 'look good' in their relationships and forget the real values that good relationships are based on. It is usually not wise for them to mix money and pleasure or business and personal relationships. Problems are the usual result of such mixtures for them. They would like someone they can travel with and their karma for marriage is better than average.

All about David`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Ten of Diamonds as Your Planetary Ruler

Be grateful that you have this card as a ruling card because it bestows some genuine good fortune on all who possess it. It is called the 'blessed card' and so many things in life will be just given to you. However, this does not guarantee your happiness. That will always depend upon your appreciation for what you have. This card also gives you an innate business ability. You could do very well in your own business, and the larger it is the better. You probably enjoy being the center of attention and have some natural abilities, either artistic or otherwise, that can get you that attention. In relationships you are very self-centered and somewhat high strung. For these reasons, you may have some challenges in this area.

All about Victoria`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Four of Diamonds Person - The Card of Solid Values

The Four of Diamonds is a card of protection in finances, however that protection is only accessed through hard work. This card, above most others, must put forth the effort to reap the rewards or the rewards will run away from them. If they try to get something for nothing, failure and frustration will be the result. Any money they have or receive will always entail some responsibilities.

They have very good business sense and the ability to manage and organize a business successfully. Though others may see them as stubborn, they know that maintaining order and structure in their life and being clear about what is most important to them will always bring them success and satisfaction. They are not going to change anything in their life that is working well for them, no matter what others think or say. Even as children most of them know what is important to them and what is not. They know what they like.

To achieve success, they often have to come to terms with their own inner restlessness (Five of Spades) and dissatisfaction which tends to lead them away from establishing themselves in one area and making true progress. Often the work they must do involves their marriage or their closest relationships. These people are very sociable, meet many people, and usually have many friends. There are difficulties to be dealt with in their life and they must watch a tendency to get into a rut and get stuck there. However, all they need to do to have more happiness is to WORK. Once they get into action, everything smoothes out, and their fears are laid to rest.

The last years of their life are often the ones with the most freedom, happiness and financial blessings. They are usually long-lived and enjoy traveling the world a lot in their later years, experiencing the things they longed for in their youth.

Some of the Four of Diamonds Issues Concerning Relationships

All about Victoria`s Birth Card

Four of Diamonds men and women have high ideals concerning love and often these ideals can cause confusion in real life romantic situations. Though stable and tough on the outside, inwardly the Four of Diamonds is a very restless person. Either they are restless romantically, or they attract someone who is. In addition, they have the karmic destiny to have one or more difficult marriages, usually ending in divorce. Add all this together and you have people who truly want a good relationship, but must pass through some tests to acquire it. For Four of Diamonds people, male or female, relationships are work and more work. They are often deprived of the life of ease and luxury until later in their life. Problems always ensue if they look upon their relationships as any means of escape from the harshness of life.

They have more than their share of charm and can usually get what they want in a romantic situation. They must be careful not to abuse this power. When they do, the payback is swift and painful, sometimes affecting their health. They have to practice high integrity in relationships to avoid some very challenging karmic involvements.

All about Victoria`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Six of Clubs as Your Planetary Ruler

This ruling card helps ground you and keep you on an even course. You tend to develop things and stay with them, which usually brings success, instead of leaving them half finished. You can be very stubborn at times and you have a competitive streak that takes others by surprise. Great success is a real possibility for you as long as you don't remain in a rut for too long. You must be true to your word or the karma of what you have said to others will come back in the same full force that you yourself avenge injustices. At heart you are a peacemaker and will go to great lengths to have a peaceful, calm environment. Careful that you don't completely ignore your feelings. Though you may not always like your emotional side, or that of others, it is your direct connection to the truth that you hold so dear. You may have a special purpose to help others 'find the light'.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

The First Connection Between You

David

Victoria

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

David is the Mars Card to Victoria

Location: Life Spread

David has a definite impact on Victoria in this relationship. He has a way of making Victoria feel stimulated. Often this stimulation can be of a sexual nature. For this reason, the Mars connection is often a deciding factor in our choice of partners. There is no doubt that Victoria was or is attracted to David on this level. She may enjoy this energetic connection or, at other times, be annoyed by it. If Victoria sometimes gets mad at David, this is because Mars energy can be destructive at times if not harnessed and channeled into positive pursuits. The things that turn Victoria on may also be the same things which anger her at other times. This is how Mars energy works with everyone. It is a fact that the relationships we desire the most are usually the ones that can stimulate the most hostility at other times. When Mars energy is not used constructively it can result in fighting, resentment, hostility and in some cases, all out war.

But Victoria can use this information and consciously transform the often negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. David can actually be a catalyst to get her out of the house and doing things. To give this powerful Mars energy something constructive to do, it is recommended that David and Victoria go outside and do things together, or at the very least, find something productive to do together with this energy. Couples with this connection usually go walking, hiking, jogging, riding bicycles or participate in other forms of physical exertion. All of these and others serve to exhaust the Mars energy and satisfy it. When they do these sorts of activities together, they will always notice that they feel better, both personally and about each other, afterwards.

If David and Victoria have any desire to work together, they have found the perfect partner to do it with. Many successful working partnerships have this valuable Mars connection. But even in this case, Victoria should be on the lookout for the anger and competitive sides of this influence.

The First Connection Between You

David

Victoria

Because Victoria is the one who is on the receiving end of this powerful Martian force, it is likely that she has 'anger issues' to work out that are stimulated by David's presence in her life. It may appear that David seems intent on doing things that make her mad, even without knowing it. If David realizes this, he will be less likely to take offense at her reactions and words. In fact, David is probably not doing any of the things that Victoria thinks he is doing. This connection tells us that Victoria is the one who is the most influenced by this connection, and so she is also the one who bears the greatest responsibility for dealing with the emotions that are associated with it. If there are other Mars connections between them, this becomes even more important. Anger is actually a mistaken belief that others are intentionally disregarding us or trying to hurt us in some way. This 'misbelief' can be dismantled with awareness of what is going on and maintaining good communications.

This connection provides a lot of the spark and magic in this relationship. If David and Victoria use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for David: I am aware of how much I stimulate Victoria and understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Victoria: I accept David as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

The Second Connection Between You

David

Victoria

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Victoria is the Jupiter Card to David

Location: Life Spread

This is a wonderful connection that is often found among the cards of happy and productive relationships. One of the main benefits of it is the financial end but it has other significant benefits as well. Jupiter is known among astrologers as the 'great benefic'. It is the only planet in our solar system that gives off more energy than it receives from the Sun. Its location in our natal astrological chart always points to some area of our life where things come easily to us and where we have many blessings to be thankful for. In this relationship, David has much to be thankful for, thanks to Victoria, because she is a major blessing in David's life.

These blessings may take many forms but they are often of the financial nature. Even though as a couple Victoria and David may not be wealthy, Victoria definitely likes to give things, including money, to David. This natural inclination to give is one of the signs of prosperity consciousness. Therefore, if not now, it could lead to great financial success in the future. This is an especially strong possibility if David expresses and feels appreciation for Victoria. Appreciation is one of the most important keys in obtaining prosperity. If David will allow the appreciation engendered by this connection to grow, and if he expresses this verbally, this relationship could bloom into a prosperous and happy life together where there is much more money and things than they could ever use or need.

On other levels the Jupiter connection can bring blessings of many forms. There could be a sharing of philosophies and spiritual ideals. Victoria may provide beneficial guidance and inspiration to David. Essentially she will have a natural desire to give whatever she has that David values. If David wants to see the blessings in this relationship grow, just remember to feel and express the appreciation, as was mentioned earlier.

This connection increases the overall compatibility between Victoria and David to a good degree. The fact that they have this connection points to some good karma for both of them, something that they earned by doing good deeds

The Second Connection Between You

David

Victoria

for others in the past. It is a sign of good fortune and if harnessed in the ways mentioned above, will develop into one of the cornerstones of their happiness together and provide the prosperity that will ensure an abundant and happy future.

Affirmation for Victoria: I am glad to be a blessing in David's life and hope that I can give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that David must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for David: I am grateful for the presence of Victoria in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings and transform our relationship into a powerful force for prosperity, peace and abundance.

The Third Connection Between You

David

Victoria

David and Victoria are Mars to each other

Location: Life Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This connection is probably one of, if not the most, energetic connection that any couple can have. Mars produces energy, passion and irritation. It stirs up a lot of energy that must be harnessed and put to use, or it will tend to be destructive and conflictive. In this relationship David and Victoria both inspire Mars energy in each other. This serves to double and even triple the Mars energy between them. Therefore, these two will be having to deal with both the positive and negative effects of this Mars connection for the duration of their relationship. With conscious awareness of what is going on, they can harness this powerful connection to accomplish many things and develop an active and enjoyable life together.

Mars connections can be very good for sex, and for working together.

The Third Connection Between You

David

Victoria

Mars is a passionate planet, and inspires us to do things passionately. Sexually, this aspect produces a lot of pure physical attraction, and it is usually mutually experienced by both partners. Also, this connection is one of the very best for couples who work together. Sex and working together are both ways in which this powerful Martian energy can be expressed in positive ways. Many successful working couples have at least one Mars connection between them. In the case of David and Victoria, it is like having two or three connections in just this one. Other positive expressions of Mars energy include hiking, jogging, biking or walking together. Dancing, working out and any other form of shared physical exertion are highly recommended. Otherwise, the negative expressions of Mars energy will predominate. These include fighting, blame, hostility, all forms of abuse, and lots of arguments. Just think of Mars as a magic genie who will grant all of your wishes with one condition - you must keep him busy. If you don't give him something to do, then he will come after you and try to kill you.

David and Victoria will have to take great care in this relationship not to allow the negative aspects of Mars to captivate all their attention. This much Mars energy can easily have them getting angry with each other on a frequent basis. Couples who have Mars connections are often drawn together because they have habitual patterns of blame and anger with which they approach their closest relationships. Mars connections give them the opportunity to work on these patterns, which can be holding them back in many areas of their life. There are definitely things about David and Victoria that can irritate each other, because on some level each of them reminds the other of some of the things that he or she doesn't like about themselves. Each of us has some things that we don't like about ourselves, things that we get mad at ourselves for. When we meet someone who is our Mars Card, they will remind us of those things. Initially, we may get mad at them and think that they are the problem. Closer analysis reveals that it is only that they are reminding us of these inner conflicts that we haven't resolved. So, in essence, a Mars relationship acts as a catalyst to help us learn to love ourselves. But sometimes it takes years before we begin to realize that the problem is within us, and not in our partner. Getting beyond the

The Third Connection Between You

David

Victoria

stage of blame to the stage of self-reflection is an important step that anyone with anger issues must make. Because of this strong Mars connection, there is a good chance that both David and Victoria have some anger issues to work on.

Keeping all of this in mind, David and Victoria can use this powerful Martian force to accomplish many good things. If they are both career-minded, this energy can inspire them into productivity and accomplishment. Even if they do not share career ambitions, this energy can help them get more physically active and healthy. There are many wonderful uses for this Martian force and David and Victoria can have a lot of fun discovering them.

Affirmation for David: I am aware of how much I stimulate Victoria and understand her feelings because I can see how Victoria stimulates me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Victoria: I accept David as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. This relationship represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

The Fourth Connection Between You

David

Victoria

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

David and Victoria are Jupiter to each other

Location: Spiritual Spread

This connection tells us that David and Victoria shared a past life together in which a major focus was their philosophy and ideas about life. Perhaps they were members of a religious group, or somehow entered into a life of spiritual disciplines and study. This lifetime had a powerful and enlightening influence upon both of them, revealing many truths about life and the laws of the universe that they still draw upon for guidance and direction. This foundation of principle can be one of the most important cornerstones of their relationship, and one which they draw strength and purpose from during their life together. Their beliefs and philosophies do not even have to be verbally expressed. Because this connection stems from a past life, the closeness they share is just there - it needs no explanation, unless they feel the need, for some reason, to express it.

Now that they have found each other, David and Victoria are reminded of the life they once had. By being together, many positive results manifest themselves in their lives. David and Victoria enjoy giving to each other in many ways as a natural expression of their love. They may exchange guidance and inspiration when it is needed and this may remind them of the high level of truth and integrity that they once shared. However, the blessings of Jupiter can also extend to the financial arena. Prosperity can be another wonderful thing that David and Victoria share with each other.

Many couples who have this connection end up quite well-off financially and they seem to be 'lucky' by most standards. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. That frame of mind involves having mutual appreciation and gratitude for the abundance that this relationship brings into their lives.

With such a fortunate connection between them, David and Victoria have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives. If they want to cultivate it to get even more benefit, all

The Fourth Connection Between You

David

Victoria

they have to do is spend more time appreciating what they have and communicating that to each other. Mutually felt and expressed appreciation is a vital ingredient in nearly all successful relationships. With this wonderful connection between them, David and Victoria should have little trouble in experiencing just how good life can be.

Affirmation for David: I enjoy the many wonderful things that Victoria and I share together. I feel that we have a deep spiritual connection that makes me feel that we are going in the same direction. We seem to attract abundance in our life as our mutual sharing and giving is so greatly appreciated by both of us.

Affirmation for Victoria: I am continually thankful for the many things that this relationship with David brings into my life. It is like a miracle, all of the good things that seem to magically come our way. I especially appreciate the sense of similar beliefs and spiritual values that are the foundation of our being together.

The Fifth Connection Between You

David

Victoria

David is the Uranus Card to Victoria
Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of the past-life connections that tells us that David and Victoria have already been together before. In fact, in that previous lifetime, they developed a true friendship and mutual respect for each other that has carried over into this lifetime. Now, they can enjoy those qualities and use that to build an even stronger relationship. However, both should know the implications of this connection, which tells us that it is not ideally suited for all couples. David and Victoria have a great possibility here, but also possibly a great challenge. It all depends upon how well they are able to allow each other that personal freedom, especially when that freedom may scare them or leave

The Fifth Connection Between You

David

Victoria

them feeling uncertain. The Uranian relationship is certainly not for everyone. It is for those who want to experience the highest form of unconditional love in the context of an intimate relationship.

In particular, Victoria may be the one who is most affected by David's behavior. At times he may seem to act in such an unexpected manner that Victoria is taken off balance by him. If she places big demands or expectations upon him, David will seem to be even more uncontrollable and unpredictable, which may engender even more uncertainty for her. This is because Victoria is the one who is receiving the Uranian energies the most, unless other connections point out that David is also receiving some. In any case, the call here is for Victoria to drop her expectations and learn to appreciate the time and things that she does share with David, instead of focusing on the parts that she is not getting the way she wants. This can be an easy lesson or a hard one, it depends mostly on Victoria and her attitudes. We might say it is a matter of having both faith that Victoria will get her needs met and her having appreciation for all that she does have in the context of this relationship.

However, this connection tells us that Victoria has already learned these lessons in the prior lifetime. She probably will not have such a hard time of it. Most of the relationships with this connection are good friendships. Both partners usually have separate careers or lives, but allow each other the space to do as they please without placing big demands upon each other. They truly enjoy the time they spend together but do not require that this time be scheduled into their lives, as if there wasn't going to be enough of it. It would be well for both David and Victoria to model themselves after these ideal characteristics, which is the Uranus connection in its highest expression.

The Uranus connection often provides a psychic link between partners. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other. It is really a beautiful thing when a Uranus relationship is working well. Both partners are relaxed and unconcerned as to whether or not they will see each other again. They both feel the love they have for each other and that is enough. The time they do spend together is like the icing on the cake, and another chapter (and adventure) in the book of their

friendship.

Affirmation for David: I realize the powerful effect I have on Victoria. Though I will never allow her to control me or dictate my actions, I will express my love to her so that she knows that I really care.

Affirmation for Victoria: I allow David to be completely free to be himself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.

The Sixth Connection Between You

David

Victoria

David is the Moon Card to Victoria

Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long-term commitments. When someone is our Moon card, we feel very close and comfortable with them. When this connection is found in the Spiritual Spread, we feel even closer, and at the same time we sense that we have been together before. This is what we call an 'earned connection' in that it has a sense of familiarity to it that comes from having spent time together in a former lifetime. Couples who have this connection often experience instant recognition of each other, or love at first sight. Because they had been together before in a meaningful way, there is a certain sense of intimacy and emotional closeness when they meet, even if they have never seen each other before in this lifetime. This unexplainable sensation is one of the most attractive situations to those seeking a partner. It is not surprising how many people with this connection have gotten married, or at the least, had significant relationships together.

In this relationship, David is a Moon Card influence to Victoria. His presence in Victoria's life is like a healing balm that soothes her. He provides

The Sixth Connection Between You

David

Victoria

Victoria with nurturing support and a sense of foundation, security, home and settledness. Victoria, on the other hand, brings many good things into the life of David. She brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. Whether they realize it or not, Victoria is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

Keep in mind however, that this connection only supports partners who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if David is not willing to be the supportive, nurturing person in this relationship, or if he is unwilling to take the back seat to Victoria in key situations, this relationship may not last. Likewise, if Victoria is unwilling to provide leadership, perhaps because she doesn't have any clear direction for her life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them. When David and Victoria are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

The first and foremost meaning to a Uranus connection is friendship. The second word that we must also use to describe it is freedom. Often, relationships can conflict with either friendship or freedom. But in this relationship, David and Victoria have the opportunity to experience both freedom and friendship, qualities that are extremely valuable and sometimes difficult to achieve in an intimate relationship where personal needs become so important. This can truly be a relationship of the future, where both David and Victoria respect each other's differences and allow each other the space and time to pursue their individual goals and aspirations, and yet value the time they spend together.

In this particular relationship, Victoria is on the receiving end of most of the Uranian/Aquarian energies. This means that she is the one who will most likely have to let go of any personal needs to have David behave in any sort of manner. When someone is our Uranus Card, we may often feel uncertain about them - whether or not they love us, will stay with us, or can be counted on to be there when we need them. Uranus does not support having many expectations of our partner. If Victoria is someone who requires a lot of hand holding, or who has many insecurities about being abandoned in a love relationship, David will be a real test for her. Even though it probably will not be intentional, he

will do things unexpectedly, come and go as he pleases, or act in other ways that could make Victoria feel afraid. As a matter of fact, Victoria may have been attracted to David for his fun-loving, free nature. This is probably because Victoria would like to experience more freedom in her love life as well. So, this relationship could be a challenge for her and help her to learn to let go and trust in love.

In other cases, Uranian relationships are just true friendships. Both partners have their own jobs or professions, they share time together but also give each other plenty of space to pursue their own hobbies and goals. Some couples really like this kind of relationship and it fits them very well. But sometimes relationships start out this way and then later, the needs or values of one or both of the partners changes. When this happens, one of the partners may comment that they have very little in common with their partner, or that they rarely spend any time together.

So, exactly how this relationship develops will depend a lot on what both David and Victoria want from their being together. This will be especially important for Victoria since she is on the receiving end of the Uranian energies of this connection. If this connection is among the first three between David and Victoria, we can expect this to be even more important since then we know that freedom and friendship are probably some of the most important issues to be addressed.

David and Victoria will be happy to know that this connection has very high potential value. The ideal of the Aquarian relationship is a very high form of love that is unconditional and real. If they are able to manifest this unconditional love between them, they will have the opportunity to experience transformation of their own personalities as well.

Affirmation for David: I realize the powerful effect I have on Victoria. Though I will never allow her to control me or dictate my actions, I will express my love to her so that she knows that I really care.

Affirmation for Victoria: I allow David to be completely free to be himself. In

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is the strongest psychic connection that two people can have. It is a psychic link that exists because the two people in this relationship shared a past life together in which there was a lot of attention placed upon the idealism of their being together. They could have easily been co-members of some religious or spiritual fellowship, sharing the same beliefs and religious practices. They probably had the same goals of helping humanity or of spiritual attainment in that lifetime. In this lifetime they come together with a strong spiritual and psychic bond that is often difficult for them to describe.

What is interesting is that in the current lifetime, neither one of them may even have any interest in spiritual matters. When this is the case, we usually observe that their relationship instead has a lot of idealism and fantasy involved in it. This would be especially true if this connection is one of the first between them. David is the primary receiver of this Neptune energy and so he is the one who is more likely to have ideals and fantasies about Victoria and their relationship. Indeed, one of the reasons for their being together may be for David to learn the difference between dreams and reality. We all have some unfulfilled soul-level fantasies that are strongly stimulated when we meet someone who is our Neptune Card. It is through these relationships that we get a chance to experience the pros and cons of these kinds of energies and just how our dreams and ideals work themselves out in this material world.

For this reason, this connection could add a very positive element to this relationship or it could be the cause of a lot of confusion and disappointment. If

David projects many of his fantasies and unfulfilled desires onto her, Victoria could feel as though he does not love the real her, only his projections. This could make Victoria tire of this relationship as she is not being loved for who she is really is. Or, she could use the fact that David is somewhat deceiving himself to take advantage of his weakness and go along with the deception in order to get things from David that she wants. These are some of the more common, negative expressions of the Neptune connection.

The positive expressions of this connection are great, wonderful and unusual romantic beginnings, inspiration in being together, an incredible psychic link to each other and romantic feelings that never die. On the spiritual level, Victoria and David may feel as though they have a special purpose in being together, one in which they will help the world in some significant way. To keep this relationship on the positive side, Victoria and David only need to have an awareness of all the manifestations, both positive and negative. By just being aware, they will always have a choice in how they want this connection to add to their lives together.

Affirmation for Victoria: I realize the unusual power I hold over David and consciously direct our activities together in positive directions. I realize that I may not be all of what he thinks I am, but I am encouraged by his seeing the highest in me. He inspires me to reach my full potential and for this I am grateful.

Affirmation for David: Victoria reveals to me my deepest dreams and desires and in many ways she fulfills them. I use her influence to inspire me to do my best and to reach my fullest potential. I am grateful for Victoria's presence in my life.

This connection produces a sort of 'fated' quality to relationships. Because of a past life of being together, Victoria and David may feel drawn together by some unexplainable force, in order to complete some issues they left unresolved in that former time together. Essentially, there was unfinished business in which Victoria was a catalyst for David's transformation on a deep level. In this lifetime this business may have a chance to be completed if both partners are aware of this connection and its implications.

Victoria represents certain qualities or characteristics that are a part of David's personal transformation in this lifetime. She may challenge David at times, making him feel confronted or even threatened. This may or may not be intentional because in Pluto relationships merely the presence of the Pluto person is enough to effect a lot of change in the other person. Each of us has a Pluto Card that represents an important area in our life where we need to die and be reborn in some way. It represents something or things that we need to let go of or change in order to progress to the next step in our evolution. Someone who is our Pluto Card will in some way remind us of this change we need to make and at the same time, act as a catalyst to get that change happening.

David may feel that there are qualities about Victoria that he wants for himself. She may do things or have qualities that David would like to do or have. Indeed, he may have attracted Victoria to encourage these things within himself. However, we know that David will have to make some fundamental changes in himself if he is ever to have these qualities or things. That means that he must do things differently in his life. Victoria will remind him of this and he may not always appreciate this reminder. Even though David may realize that Victoria is playing an invaluable role in his life in helping him to change, he may resist this change at times. Sometimes Pluto acts as an unrelenting force that keeps confronting us over and over again. When this is the case, we may feel like a caged animal and lash out at anyone who appears

to be coming at us. This can be the case with David and Victoria, but this usually only happens in extreme cases.

If David is aware of Victoria's role as defined by this connection, he can use this valuable connection to effect great and wonderful changes in his life. This can be the most valuable relationship of his life and help David achieve his dreams and ambitions.

Affirmation for Victoria: I realize the unusual role that I play in David's life and consciously direct my thoughts, words and deeds to perform this role in a loving and compassionate manner. I am inspired by the work he is doing on himself.

Affirmation for David: I accept Victoria as a catalyst for my own personal transformation. I consciously apply myself to my inner work while being grateful for Victoria's presence in my life. With her, my transformation is accelerated many times over. I accept this change as my own personal responsibility.

This is one of the past-life or 'earned' connections, and it happens to be one of the better ones in terms of what it brings into the lives of David and Victoria. This particular connection indicates that David and Victoria shared a past life where they held the same spiritual or philosophical views. There is a strong possibility that during that lifetime, these philosophies and beliefs were a major theme in their life. guidance and direction.

Now that they have found each other, David and Victoria are reminded of the connection they once had. By being together, many positive results are manifesting in their lives. David enjoys being the giver in this relationship and he will give everything that he can to Victoria as a natural expression of his love for her. He will provide guidance and inspiration when it is needed and will act as a reminder of the high level of truth and integrity that they once shared.

This connection is about truth and integrity, but it is also about giving, prosperity and abundance. Victoria is the one who receives most of these benefits because she is on the receiving end of this connection. David also benefits because giving is in reality another form of receiving. David and Victoria have a natural inclination to give to each other and if this giving and receiving is allowed to grow and be appreciated, it can grow into one of the most important cornerstones of their relationship. It has the potential to fulfill many of their dreams and desires by attracting opportunities, good relationships and things into their lives.

In particular it is up to Victoria to stimulate this potential by practicing the art of appreciation for the many good things she shares with David. Appreciation is one of the magical keys to prosperity, one that could unlock the door to her most cherished desires. When the natural giving that David does is complimented by Victoria's felt and expressed appreciation, it generates a potent energy that attracts many good things into their lives.

Many couples who have this connection end up quite well off financially and they seem to be 'lucky' by most standards. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. With such a fortunate connection between them, David and Victoria have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives.
